Sick Leave Pool
Mary Di Taranto, Maria Matute, & Cathy Pursley were invited to join the council to discuss the Sick Leave Pool and how it relates to Career Employees. Some concerns were discussed in regards to the number of days of vacation leave that Career Employees have to use before they are able to use leave from the Sick Leave Pool. CEC members decided to table the issue for later discussion. The council also decided that more information is needed on how often the Sick Leave Pool is reviewed.

Career Development Day Survey Review & Picnic Survey Review
The council decided to discuss the survey results for both the Career Development Days & Picnic at a later date.

Nominations for Career Council positions & Standing Committees
Council members discussed nominations for career council positions and standing committees. A new career council position is Chair Elect. The Chair Elect will act as support to the Chair and carry out all duties in absence of the Chair. The council is still seeking other nominations. Members are encouraged to ask other career employees in their respective areas if they are interested in serving on the Career Employee Council and/or standing committees. Council members should be prepared with the nominations for the next council meeting.
