The charges and evidence shall be presented by a person acting on behalf of the College, usually an administrator and/or the Director of Campus Security or his/her designee. A College counselor acting in the capacity of student advocate will be available as a resource for the student during the entire Hearing process. The person being charged will then be afforded an opportunity to make opening comments, respond to the charges, and provide any and all additional information and/or witnesses which support his/her case. The person being charged may refuse to make any opening statement if he/she desires; and this shall not be interpreted as evidence of guilt by the Committee. Upon recognition by the Chairperson, both the person(s) presenting charges and members of the Committee may ask any and all questions of the person being charged and the witnesses that they deem appropriate to clarify pertinent information in understanding the charges and responses.

Witnesses will be called individually. Once they have completed their testimony, they will be required to leave the room.

In the case of violations of College Computer Ethics or Campus Regulations Code of Conduct, the Vice President of Educational and Student Services will have already imposed and/or recommended disciplinary sanctions. These disciplinary sanctions will have already been made known to and discussed with the accused prior to the Hearing.

When the Chairperson determines that all charges, statements, and relevant presentations have been received and reviewed, the primary parties in interest will be entitled to make a closing statement.
