

STATE COLLEGE OF FLORIDA, MANATEE-SARASOTA

Course Prefix Guide by Department Code for Lower Division, 1000 and 2000 Level Classes

FIND THE THREE-LETTER PREFIX FOR THE CLASS YOU WANT.

Classes are listed in the order of their three-letter course prefix (or subject code). Three-letter prefixes are determined by the state education authority and apply to all state institutions of higher education.

PLEASE READ: Some academic areas list classes in more than one three-letter prefix (subject code), and some prefixes do not relate in an obvious manner to the subjects of study. For example, **Accounting** classes may be listed under **ACG**, **APA** or **TAX** prefixes.

Music classes can be found in **10** prefixes. On the other hand, some subjects, such as **Sociology** (listed under the prefix **SYG**) are found by a single three-letter prefix that directly corresponds to the subject.
