State College of Florida, Manatee - Sarasota
Job Description

Job Title: Building Code Administrator
Reports to: AVP of Facilities Planning and Maintenance
FLSA Status: Exempt
Level: 213
Position Class:

Job Summary:
This position is responsible for overseeing Florida Building Code compliance for new construction, remodeling, and renovation and repair of buildings, utility systems, and site features.

NOTE: Job descriptions and essential functions are subject to change due to advances in technology, utilization of work force, and other factors which may impact the College’s need to modify position requirements.

Essential Duties and Responsibilities:
The following listing of essential job duties indicates the general nature and level of work required in this job. This is not designed to be a comprehensive listing of all the activities, duties, or responsibilities that may be required in this job. Individuals assigned to this job may be asked to perform other duties as required. To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential duties and responsibilities of the job. Applicants may be asked to demonstrate any or all of the following duties:

1. Serves as building code administrator managing the building code administration program.

2. Conducts or supervises plan reviews, issues permits for renovation, remodeling, maintenance and new construction; performs or oversees construction inspections for code compliance and occupancy certifications.

3. Manages and inspects work conducted under the annual maintenance permits college-wide.

4. Manages security access control program, including key control, related to Facilities infrastructure college-wide.

5. Oversees services provided through in-house personnel or outside contractors.

6. Supervises, evaluates, and trains facilities plan review and inspection licensed staff.

7. Provides support to Director for campus utility infrastructure condition assessment, regular maintenance and planned improvement program.
8. Performs other duties as assigned.

**Job Qualifications:**
The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- **Education/Experience:**
  Associate’s Degree or equivalent from a two-year college or technical school and five to seven years related experience and/or training; or equivalent combination of education and experience.

- **Supervisory Experience:**
  Three or more years of direct supervisory experience, including formal training in supervision, is required for this position.

- **Language Ability:**
  Ability to read, analyze, and interpret scientific and technical journals, financial reports, and legal documents. Ability to respond to technical questions and/or complaints from college leadership, customers, regulatory agencies, or members of the community.

- **Math Ability:**
  Ability to work with mathematical concepts such as probability and statistical inference, and fundamentals of plane and solid geometry and trigonometry. Ability to apply concepts such as fractions, percentages, ratios, and proportions to practical situations.

- **Reasoning Ability:**
  Ability to define problems, collect data, establish facts, and draw valid conclusions. Ability to interpret an extensive variety of technical instructions in mathematical or diagram form and deal with several abstract and concrete variables. Ability to work with formulas, scientific equations, graphs, musical notes, etc.

- **Computer Skills:**
  Working knowledge of College email, word processing, and spreadsheet software.

- **Certificates and Licenses:**
  Required: Florida Building Code Inspector license or Plan Review license with the ability to get a Florida Building Code Administrator license within six (6) months from the date of hire.

**Responsibility for People and Property:**
Supervises the licensed staff who conduct plan review and inspection activities.

**Responsibility for Communication:**
- **Internal Contacts:**
  This position has routine contact with all levels of College faculty and staff.
• **External Contacts:**
  This position has routine contact with fire department officials, contractors and suppliers.

**Work Environment:**
The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Frequently exposed to outdoor weather conditions. Occasionally exposed to work near moving mechanical parts, work in high, precarious places, and fumes or airborne particles.

Noise level in the work environment is moderate.

**Physical Demands:**
The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly required to sit. The employee is occasionally required to stand, walk, use manual dexterity, reach with hands and arms, climb or balance, and talk or hear. The employee must regularly lift and/or move up to 10 pounds, and occasionally lift and/or move up to 25 pounds. Special vision requirements include close, distance, color and peripheral vision, depth perception and ability to adjust focus.

**General Performance Standards and Expectations:**
In addition to satisfactory performance on all of the essential job duties and responsibilities for this job, all State College of Florida, Manatee-Sarasota employees must fulfill the following basic performance expectations:

1. Mission and Goals: Each State College of Florida, Manatee-Sarasota employee is expected to know the College’s mission and goals.
