A SUMMER PROGRAM

for Kids Ages 7-13

June 13 - Aug. 12

scf.edu/KIDS

Sessions:
Morning 9 a.m. - 12:30 p.m.
Afternoon 1:30 - 5 p.m.

Locations:
Bradenton 941-752-5203
Lakewood Ranch 941-363-7000

Provided by: SCF Corporate and Community Development
**Computer & Tech Class Descriptions**

**Cool Creative LEGO Inventions** - Students design more complex compound machines, while team challenges provide opportunities to demonstrate and test their designs while learning from others.

**Creative Automation with Art and LEGO** - Design and create your own creatures, sculptures or 3-D art and program them for action.

**Creative Robotics and Automated LEGO Contraptions** - Become an inventor as you design your machine, program it and start it moving. Prerequisite: Creative Automation of Machine Design and Engineering with LEGO Technic.

**Digital Video Academy** - Become the writer, director, actor, animator, special effects creator and editor of a movie production. Bring the final movie home for all to see.

**Machine Design and Engineering with LEGO Technic** - Explore, design and build motorized models using wheels, axles, gears, pulleys, cams, levers and specialized parts in LEGO Education Engineering Kits.

**Video Game Animation** - Create characters that interact with one another. Add sound effects and music clips to create a dynamic video animation game.

**Video Game Design** - Design, create and edit your own two-dimensional arcade-style video game. Discover how to add animation using a drag-and-drop editor.

**Video Game Design and Animation - Advanced Concepts** - Learn to use more advanced features and take your design to the next level with light, sound, color and movement of a slider joystick. Prerequisite: Video Game Design.

**Directions**

SCF Bradenton - 5840 26th Street West, Bradenton, 941-752-5203. 60th Avenue West between 26th and 34th streets Building #18, two-story building west side of campus.
