

AS Business Management-Risk Management and Insurance Services

Required Courses and Recommended Sequence

Academic Pathway – AS Business Management-Risk Management and Insurance Services [2046] – 2 Year Plan

The following is a recommended sequence of courses for completing this degree program and/or transfer pathway. Developmental courses and prerequisite requirements, credit load, and/or course availability may affect a student's individual progress. Course availability within the program sequences is specifically intended for full-time students who begin their coursework with the fall semester. Students should always consult their online degree planner (DegreeWorks) for the catalog year that they entered the college, and contact their program manager, academic advisor, or department chair to better understand typical course availability and individual program planning.
