

**Associate of Arts Degree
Transfer Pathway (with Summer Semester)
Film**

The following is a recommended sequence of courses for completing this Associate of Arts degree and transfer to a university. Developmental courses and prerequisite courses may not all be listed on the pathway below. Developmental courses and prerequisite course requirements, credit load and/or course availability may affect a student's individual progress. The pathway below is specifically intended for full-time students who begin their course work with the Fall semester. Students should always consult their online degree planner for the catalog year that they entered the college and meet with their Success Coach each semester to better understand typical course availability and individual program planning as this plan is subject to change.

Required Courses and Recommended Sequence

^ Civic Literacy

Most of the prerequisite courses for the Film Pathway are taken care of in the first year. The General Education requirements are distributed throughout the four semesters to allow students to begin taking film courses in the first semester. A broad-based foundation is provided that includes screenwriting, directing, editing, cinematography, and all aspects of production in narrative and documentary film. In addition, students also engage in the historical and contemporary trends in media and can select from additional electives in Broadcast Communications (RTV), Film, Mass Communications, and Photography to complete their basic studies in preparation for University transfer.

Students must meet the foreign language requirement of having completed two sequential foreign language courses in high school or at the postsecondary level (8 semester hours). Foreign language requirement has not been built into A.A. transfer pathway and will be additional requirement, if needed, prior to completion of Associate of Arts degree.

Students with questions pertaining to Film are encouraged to contact the department of Art, Design & Humanities.

Please check with the transfer University of your choice by the third semester at SCF for any prerequisites they may require.
