

**Associate of Science Degree
Filmmaking [2031]
2 Year Plan**

The following is a recommended sequence of courses for completing this program. Developmental courses and prerequisite courses may not all be listed on the pathway below. Developmental courses and prerequisite course requirements, credit load and/or course availability may affect a student's individual progress. The pathway below is specifically intended for full-time students who begin their course work with the Fall semester. Students should always consult their online degree planner for the catalog year that they entered the college and meet with the Filmmaking A.S. Program Manager each semester to better understand typical course availability and individual program planning as this plan is subject to change.
