THE INTERVIEW

Students are selected for the interview based on GPA and coursework completed at the time of application submission. Only students who are selected for the interview will be considered for admission. Applicants are evaluated on professional appearance and behaviors as it relates to the OTA profession, creativity, problem solving, maturity, role as a group member, relating to others, communication skills and responses to interviewer questions. Interview scores will be tabulated and added into the Composite Admission Score.

NOTE: The Program Faculty reserves the right to request an additional personal interview with an applicant if the interview process does not provide the interviewers with sufficient information to rate the student. Applicants must earn a minimum of a "recommendation" through the interview process to be accepted into the program.

Scoring for the Interview:

Interview: 25 points

Writing Sample: 20 points

Total: 45 points

In addition to the interview, all applicants are required to prepare a writing sample on-site. Students will be given 15 minutes to complete their writing sample.

COMPOSITE ADMISSION SCORE

The composite admission score is the total of the students score on the interview, writing sample, and OTA program application scoring rubric.

Composite Admission Score is as follows:

OTA Program Application Scoring Rubric _____/80 points

Interview _____/25 points

Writing Sample _____/15 points

Total: 120 Points

Scores will be ranked from highest to lowest and applicants with the top 24 scores will be selected for program admission.
