### Required Supporting Documentation

**Original letter from the bank which indicates** the current balance. Amount shown should equal or exceed the amount required to cover the student's educational expenses for the first year. Please note: this has to be an original document from the bank, written in English, and amounts shown should be in US Dollars. Printouts from online banking, copies of documents, or recent statements are not an acceptable form of documentation. The funds must be in an account such as a savings or checking account where funds can be accessed without restriction (proof of funding from retirement accounts, certificates of deposit, or similar accounts will not be accepted). Please provide a valid ID to accompany the bank statement.
